

We are proud to have been providing employment, work experience and independent life skills training to adults with disabilities for over 50 year.
We could not have done this without the support of our Donors,
Grant Funders and Corporate Partners.

Watford Workshop, Century Retail Park
Dalton Way, Watford WD17 2SF

Registered Charity No 229947, Company Registration No 753764 VAT No. 197 3478 13

For further information, visit our website at www.watfordworkshop.co.uk

DONATE

Your donation could help give adults with disabilities a safe and secure environment to gain Work Experience, Supported Employment and receive Independent Life Skills Training. Donating to our charity will help change a life. You can donate via the website at: www.watfordworkshop.co.uk

Helps pay for work experience

£25

Leaving full time education is difficult and even more challenging for a young adult with a disability. Your donation can make a difference by giving a chance to experience the world of work.

Watford Workshop gives more than 20 Special Education Needs students every week this opportunity.

Will sponsor supported employment

£50

By sponsoring supported employment, this gives work and provides the skills needed to transition into mainstream employment. For those unable to move on, this funds their workplace for as long as they need us.

We provide around 50 long term workplaces each year.

Helps fund independence training

£100

Your donation to our charity could fund essential life skills training to help our people live as independently as possible. From reading and writing, cooking and laundry, all delivered by our qualified tutors.

Our many courses are tailored to the individual needs of our people

We encourage all our donors to visit the Workshop to meet the people their donations will support and to see the difference it can make. By making a monthly or one-off donation, you can help us to provide the vital support that adults with disabilities so desperately need.

HELP AN ADULT WITH A DISABILITY LIKE MEGAN

Aged seven, Megan suffered a life changing accident which left her with physical and learning difficulties. On leaving full time education she spent several years at home as no one would give her a job.

Watford Workshop gave Megan a chance when no one else would. By providing supported employment and training, Megan is now thriving as our Fundraising Co-ordinator and giving key note speeches on her journey to the Workshop and how we have changed her life.

Contact us if you would like Megan to speak at your event or workplace.

GETTING INVOLVED

Fundraising – whether you want to fundraise on your own, with friends or get your school, work or faith group involved, any monies raised help to make our work possible.

Corporate Partner – We partner with companies who want to get to know the people they are supporting and to see the difference they can make by spending a Corporate Volunteering day with us. We want all our partnerships to be rewarding, engaging and mutually beneficial.

Volunteering – Join our amazing team who donate their time, skills and passion to change the life of an adult with disabilities and help our Charity to run as efficiently and effectively as possible.

For any enquiries contact: **Gill Nightingale**, Partnership Manager at gill@watfordworkshop.co.uk
