

Partner with Purpose

For over 60 years, Watford Workshop has been a reliable partner to businesses of all sizes, assisting with hand-packing, light assembly, product reworks and other services.

However, we don't just provide services; we create opportunities for adults with disabilities to work, learn, and flourish.

Our clients trust us to deliver high-quality, flexible solutions that meet their business needs while enhancing their Corporate Social Responsibility (CSR) profile.

Why Use Us?

- ◆ We can be a commercially viable alternative to contract packing, enabling you to compete in niche and new markets
- ◆ We are an additional second source for peak periods when extra capacity is needed.
- ◆ You can 'drop ship' to our warehouse to reduce delivery times and cost.
- ◆ We are a professional service with accurate, on-time, in-full delivery.
- ◆ We have over 6 decades of service delivery experience.
- ◆ Enhance your Corporate Social Responsibility credentials.

What Can We Do For You?

Product Reworking – We have all your product rework requirements covered including Over Labelling, Weight Checks and Quality Inspections.

Retail & Promotional Packing – In the demanding world of retail, we are experienced in the requirements of large retailers regarding the packaging of your products. The products we pack can be seen in major retailers throughout the UK.

Kit Assembly – Our kit assembly service offers flexibility with regards to kit content. Our team can assemble both standardised and non-standardised products.

Labelling – We can place a variety of labels, including batch labels and barcodes.

Light Mechanical & Electrical Assembly – We undertake a whole variety of mechanical and electrical assembly work.

Mail Shot Collation – A cost effective solution to help you deliver your message.

Heat Sealing – We can hand heat seal where required.

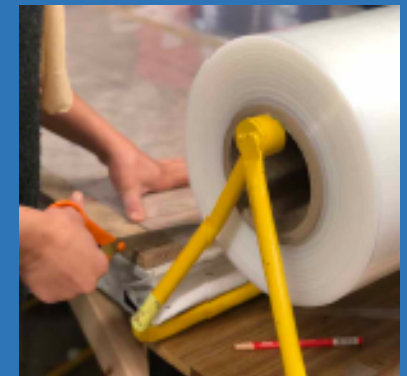

What do our previous clients say?

"Their work has always been superb, and with an average of 200k units and up to 200 SKUs per annum, this highlights the flexibility they are able to achieve. During my peak time, from March to the end of October, when the pressure is really on, they have always come up 'trumps'. I would not hesitate to recommend them."

Metro Marketing (Europe) Limited

"We have partnered with Watford Workshop for a number of years, as the team provide an invaluable service to the community, by supporting adults with additional needs to access the work place."

Warner Brothers

Social Impact

At Watford Workshop, our mission extends beyond delivering exceptional outsourcing services—we are deeply committed to making a positive social impact.

For over 60 years, we have provided meaningful employment opportunities for adults with disabilities, offering them a supportive environment where they can work, learn, and thrive.

We give them meaningful work when no-one else will.

Empowering Individuals

Our organisation empowers adults with physical, mental, and sensory disabilities by offering them the dignity of employment.

Through hands-on work experience and skills training, we help our employees build confidence, gain independence, and develop the capabilities needed to lead fulfilling lives.

For some, this experience is a stepping stone to mainstream employment, while for others, it provides long-term stability and a sense of purpose.

Supporting Families and Communities

The impact of our work extends to the families and communities of our employees. By providing a stable and supportive workplace, we not only uplift the individuals who work with us but also offer relief to their families, knowing their loved ones are in a nurturing and productive environment.

Our services contribute to reducing isolation, enhancing wellbeing, and fostering a sense of belonging within the community.

A Lasting Legacy From 1964 onwards...

By partnering with Watford Workshop, businesses become an integral part of a lasting legacy of social impact. Our commercial partners directly contribute to the empowerment and employment of adults with disabilities, helping to foster independence, confidence, and personal growth.

This collaboration not only enhances their Corporate Social Responsibility (CSR) profile but also aligns their brand with values of inclusivity and community support. Together, we create a legacy of positive change, where business success goes hand in hand with making a meaningful difference in people's lives.

We are proud to be one of the few remaining "sheltered" workshops in the UK, offering a unique and invaluable service to both our community and our commercial partners.

We're ambitious about the future so come and be part of the legacy.
